

JOB SUMMARY

		From	Southern Outdoor Restoration 3217 Northside Drive Raleigh, NC 27615 (919) 366-7474
Job No.	17611115	Job For	Kane Realty Corporation
Date	12/3/2019		North Hills Main District
Type	Cleaning		Main St at North Hills
PO No.			Raleigh, NC 27609

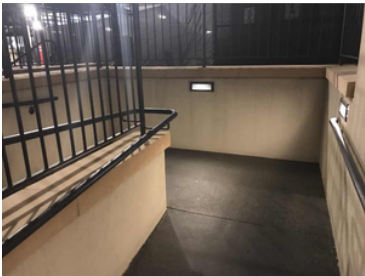

Job Description

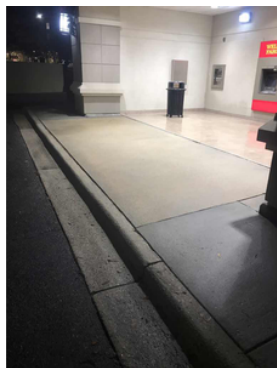

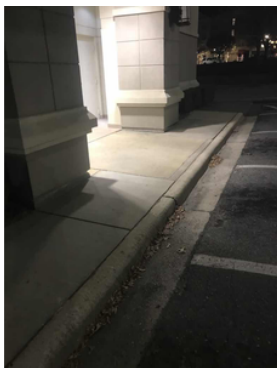

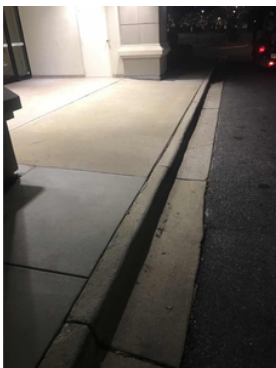

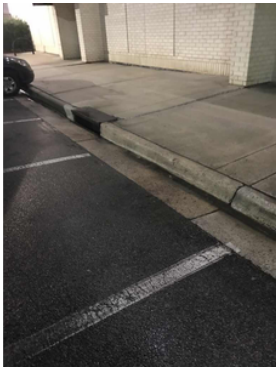

THIS WORK WILL ALL BE COMPLETED OFF HOURS. When we rinse storefront windows with fresh water from the exterior spigots, there will most likely be hard water spots on the glass. Exterior window cleaning is not included in the proposed scope but we can quote the use of a water-fed pole and portable DI system to clean exterior glass after flatwork pressure washing is complete. We ask that the individual restaurants complete their own prep work for the cleaning so that our teams and can work safely and efficiently.

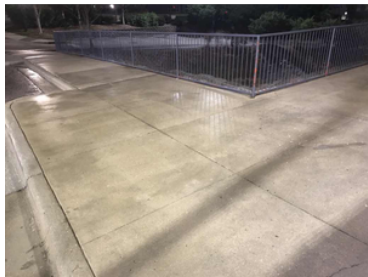

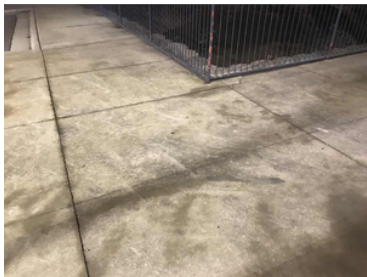

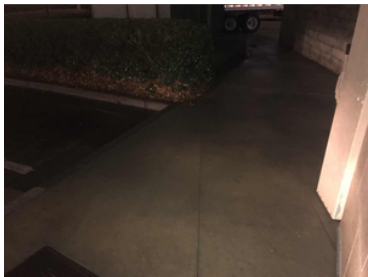

We are proposing a budget of \$3,500 for all non-organic material cleaning. This is not included in the project price, but we can discuss once we get closer to a start date so we can collaborate and determine how best to treat those areas.

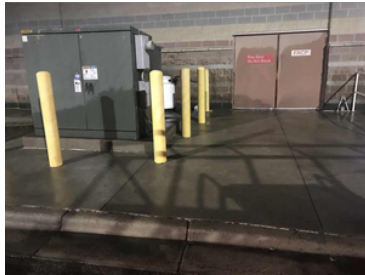

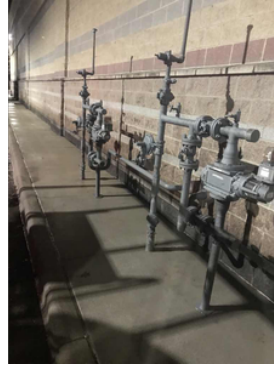

Parts, labor and items used		QTY
Service	Concrete Pressure Washing	149803

Kane Realty requires a completed liens waiver (job docs at company level) for all invoices over \$2,500. Please email Brittany when work is 2-5 days from being finished so we can have the waiver signed and notarized before the job is marked complete and invoiced.
