#850  
Charlotte, NC 28203

**Job For** | **Roman Catholic Diocese of Charlotte**  
St Patrick's Catholic School  
1125 Buchanan Street  
Charlotte, NC 28203

## Services

▶ PW1 - Exterior Building Pressure Washing - "Highest and Best Use" Scope:

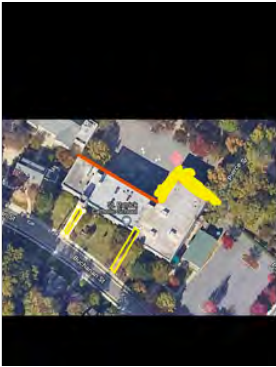

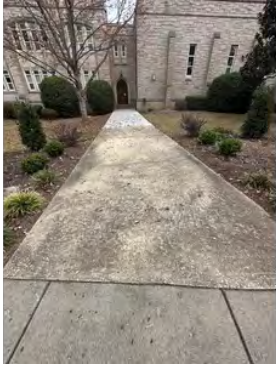

- exterior cleaning of building with use of 60 ft boom (need ground protection mats)
- concentrated mildewcide application via diaphragm pump to all mildew on exterior stone and precast concrete followed by 40 tip pressure washing of the treated areas, with a full fresh water rinse of the building to ensure a uniform finish; all areas highlighted in red on scope map
- surface cleaning concrete flatwork highlighted in yellow on scope map
- water access via exterior hose bibs
- to be completed on weekend dates
- windows will be rinsed with fresh water but that process is not a substitute for WFP window cleaning process
